Title: The Countryside After Land Reform

Editor: Shih-yueh Ch'u-p'an She

Publisher: Editor, Peiping, October 1950

Sponsor or

Issuing Authority: None indicated

No Pages: 156

Language: Chinese

Area of Coverage: China-Northeast, North China

Subjects Covered: Communist achievements and land reform.

Scholarship Evaluation: Carefully selected and edited press reports

Review: Section I contains 24 newspaper articles published in 1950, including articles with date on cotton and food production, and the social and economic benefits to peasants in the Northeast Region where land reform has been completed. Outlines achievements and progress of land reform in Shantung, Honan, Hopeh and the liberated areas of North China. Section II consists of 19 articles, each of which describes the "new look" of an individual village since land reform. Appendix includes reports on food, cotton, and wheat production for 1950, and describes new agricultural implements introduced to peasants.
